The Future is Shared

The Future is Shared is a first of its kind book on sharing economy and sharepreneurship. It explores how the concept of scarcity is being challenged by "connected abundance" and the impact

Looking for...

talent knowledge destinations with 20% GDP multiplier impact. We are poised to accelerate Nigeria's socio-economic development through a

solution-oriented
application of machine
learning in solving
social/business problems
and to galvanize data
science/Artificial
Intelligence knowledge
revolution, which will
position Nigeria as an
outsourcing hub for global
projects.
